Dear George:

It is with great pleasure that I write to personally thank you and your associates for a tremendous effort in delivering BIZPORT's new production facility in Virginia Beach. From the very beginning of our relationship, you and your team have consistently exceeded our expectations. Our building was completed on schedule and we are very pleased with the level of workmanship.

In our various business activities, we have worked with many developers and contractors and can say without hesitation that Powell Development has been a true partner to BIZPORT. It is rare in this day and age to find a company that is so focused on meeting their client's needs. We look forward to the opportunity to work with you again in the future.

Warm Regards,
